

A WORD FROM OUR TITLE PARTNER

beneva

Beneva celebrates five years as partner of the Beneva Montreal Marathon!

Five years ago, Beneva became the title sponsor of the Beneva Montreal Marathon, Quebec's premiere running event, and this year's edition promises to be just as memorable. Thousands of runners of all ages, cheered on by family and friends, will be running in a vibrant and festive atmosphere along some of Montreal's most scenic sights.

Our team of volunteers will be part of the action, at the starting line and all along the course. At Beneva, we want to make healthy lifestyle habits available to all. That's why we promote physical activity as an instrument for global wellness, physical as well as mental.

So, we're proud to support a running event such as this one, because not only does it reflect our vision, it celebrates togetherness and accomplishment.

Guided by our mutualist roots, we're also committed to Beneva's Run with Heart initiative, which offers grants to partner charities. It's a wonderful way to contribute to the well-being of the community.

From October 9-11, 2026, you can push your limits while having fun in an exciting setting.

See you there!
